

The Cedars

Neighbourhood Nursery

Our activities

At The Cedars we encourage children to try a range of activities and explore their interests, in specially designed areas:

Saplings

Our baby room is a quiet, cosy space for babies, with a sleeping area and sofas for snuggling up. There is also a special sensory area where children can safely play and find their feet.

Woodlands

This area is divided into three parts. The first is for creative activities like water and sand play and painting. The second is for small-world and domestic play and has a home corner. The third is for building and maths play.

Treetops

This is a group room for preschool children to do more structured activities that promote the Early Years Foundation Stage curriculum.

If you would like any more information please call us on **01392 204660**.

as long as it takes

Welcome to The Cedars Neighbourhood Nursery

The Cedars nursery provides high quality care for children aged from three months to five years. We create a warm, friendly, family atmosphere where care and education are equally important. We want children to develop a strong sense of self, be excited about learning, and feel cared for and secure. We support each child's needs and interests, giving children and parents/carers a real say in what we do.

We are open **52 weeks a year** and we offer full day care from **7.30am to 6pm** and sessional care from **7.30am-1pm** and **1pm-6pm**.

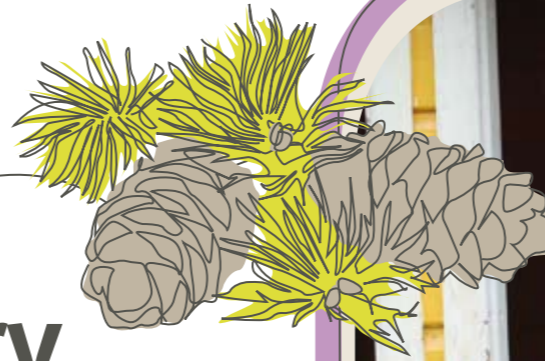

We offer:

- ▶ a purpose-designed, homely, safe place for babies and young children
- ▶ highly qualified and experienced staff
- ▶ experiences for different ages, including a special babies room ('Saplings'), areas for different types of play ('Woodlands') and a preschool room ('Treetops')
- ▶ a fantastic garden
- ▶ home-cooked, healthy and nutritious meals
- ▶ regular parent/carer evenings

You may be entitled to tax credits – call the hotline on 0845 300 3900.

We believe young children learn by doing things for themselves with adult support.

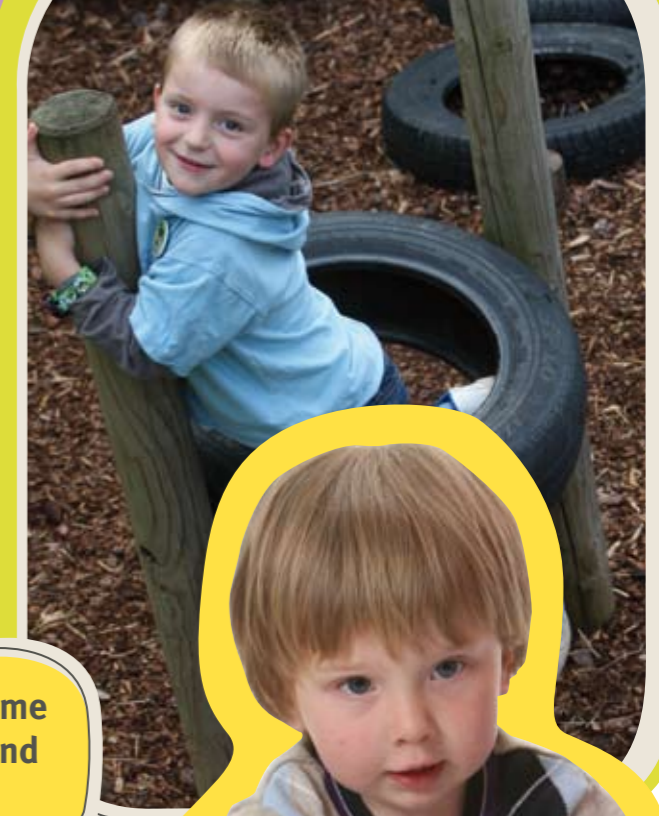

action for
children

Children enjoy playing and becoming more independent in our large garden, supporting their interests indoors and outdoors.

A key carer can visit your home to help your child settle in and answer your questions.
